## 250,000 GO ON STRIKE IN NEW YORK TODAY

Labor Men Say This Is Only a  
Starter—Situation Reaches  
Acute Stage—Mayor Strug-  
gles to Avert Disaster.

PAMPHLETS BLAME ALL  
ON WALL ST. CROWD

Governor Is Opposed to Call-  
ing Legislature at This Time  
—Many Other Unions May  
Go Out Friday.

(By Review Leased Wire)  
NEW YORK, Sept. 26.—With  
the announcement by the  
leaders that approximately 250,  
000 union workers would quit  
their places tomorrow to aid the  
striking carmen, the labor situa-  
tion in New York had reached an  
acute stage.

It was asserted that 6000 brew-  
ery workers, 115,000 employees in  
the building trades, and 250,000  
members of the United Hebrew  
Trades were in favor of a sym-  
pathetic strike.

Twelve thousand teamsters also  
were reported ready to quit work on  
Thursday or Friday. A meeting of  
the executive council of the building  
trades will be called for Thursday to  
take final action, after the business  
agents in Manhattan and the Bronx  
had voted for a strike.

Mayor Mitchell summoned the labor  
leaders before him as soon as he  
heard of their plans. He said he de-  
sired to be informed directly as to  
what might be expected tomorrow.  
The union officials, he announced,  
told him they expected 200,000 work-  
ers to strike "as a starter."

After a meeting of the committee,  
strikers were supplied with pamphlets  
for distribution through the city.

**Blame Wall Street**  
"Rockefeller, Morgan and their  
assistants control the transit of  
the city," the pamphlets read,  
and they also control the railroads,  
mines, industries and public util-  
ities throughout the country as  
well as most of the banks and  
nearly all of the money."

**Legislature May Meet**  
Members of the state legislature  
from this city who called on Governor  
Whitman late today and urged him to  
convene the senate and assembly in  
an extraordinary session to deal with  
the strike situation, submitted a draft  
of a proposed arbitration act.

**Governor Opposed Now**  
The governor, although opposed to  
calling the legislature together at this  
time, studied the proposed law care-  
fully and said he believed there was  
"room for it on the statute books."

**Would Force Arbitration**  
The act outlined would provide a  
fine of \$5,000 and revocation of the  
license of a corporation that breaks  
an agreement to arbitrate and a fine  
against the union breaking such agree-  
ment, where the public welfare is  
affected.

## AMERICAN MINING MEN PROTEST AT TAXES OF MEXICO

Sixteen Companies, Repre-  
senting 350 Millions, Plead  
With Commission Against  
Confiscatory Act.

NEW YORK, Sept. 26.—Sixteen American  
companies with Mexican prop-  
erties having a total capitalization of  
more than \$350,000,000 today dis-  
patched to Franklin K. Lane, chairman  
of the American division of the Mexican  
American commission in session at  
New London, Conn., a joint protest  
concerning governmental obstruction  
of industry in the southern republic  
and asking for relief as soon as pos-  
sible.

The statement which was prepared  
by Wm. Loeb, Jr., a director of the  
American Smelting and Refining Co.,  
and signed by officials of fifteen other  
companies, complained of the "confis-  
catory nature" of the taxation decrees  
of General Carranza.

## ARMY DISHONORS AND JAILS FALSE WRITER.

COLUMBUS, N. M. Sept. 26.—  
Private Hugh Clark, of Company  
D, Second Massachusetts Infan-  
try, was sentenced tonight to six  
months at hard labor in the dis-  
ciplinary barracks at Fort Leav-  
enworth, together with a dishon-  
orable discharge from the service.  
Clark, shortly after his arrival  
at the border, wrote letters to a  
newspaper of Holyoke, Mass.,  
from which his company came,  
charging his company officers  
with neglecting their men, and  
his captain with appropriating  
company funds. These letters  
were published. Clark admitted  
their authorship but adhered to  
the charges. He was tried by a  
general court martial for conduct  
unbecoming a soldier. The guard-  
man's sentence was approved by  
the war department.

## NEUTRALITY LAW OF U. S. URGED CHANGED FOR MEXICANS

CHARGES OF KILLINGS  
MADE BY BOTH SIDES

Commission Gets Down to  
Actual Consideration of  
Co-operation Plan for First  
Time in Conference.

(By Review Leased Wire)  
NEW LONDON, Conn., Sept. 26.—  
The revision of American neutrality  
laws, with a view to discouraging  
Americans from participating in Mexican  
factional conflicts was suggested at  
the conference of the Mexican-American  
joint commission today. It was  
indicated that Mexico would be able  
to deal more effectively with rebels  
and ordinary bandits or outlaws if the  
neutrality laws were amended in our  
country to make it an offense for an  
American citizen to participate in any  
way in a movement against a govern-  
ment with which the United States is  
at peace.

The discussion of the neutrality  
laws of both countries was incident  
to consideration of plans for the co-  
operation of the authorities of both  
countries in maintaining peace along  
the border.

**Mexico's Alibi**  
The Mexicans charged that the in-  
adequacy of the American neutrality  
laws made possible the propaganda of  
revolutions on American soil against  
the established government in Mex-  
ico. The consideration of operation of  
neutrality laws was not confined to  
those facts, however.

**Both Charge Killings**  
The American commissioners sub-  
mitted a list of border raids that had  
been compiled by the war department  
The Mexican commissioners counter-  
ed by the presentation of another list  
specifying instances where American  
soldiers or civilians had crossed the  
boundary into Mexico. This list also  
contained instances where Mexican  
nationals were said to have lost their  
lives and property on American soil.

**At Work At Last**  
It was said that today's session was  
the first of a series in which it was  
expected the suggested form of co-  
operation between the two govern-  
ments in preventing border distur-  
bances would be considered.

Two more sessions will be held here  
but without Luis Cabrera, head of the  
Mexican commission. Business in  
Boston made it necessary for him to  
go there late today.

**Mining Men Are Heard**  
The American members of the com-  
mission studied a long memorandum  
today submitted by a group of mining  
men, relative to conditions in Mexico  
that, they claim, are such as to make  
perilous the resumption of mining op-  
erations.

GERMAN DEFENDERS  
FIGHT UNTO DEATH

Victory Marks One of Most  
Bitterly Fought Battles of  
War—Many Teutonic Pris-  
oners Captured.

(By Review Leased Wire)  
PARIS, Sept. 26.—The town of  
Combles is entirely in the hands of  
the Anglo-French forces. This is an-  
nounced in the official statement from  
the war office tonight, which adds that  
the battle north of the Somme is pro-  
ceeding in favor of the Entente allies.  
The French also have advanced farther  
north of Fregicourt.  
Along the Bethune road the French  
have gained additional ground.  
A vast stock of munitions and pro-  
visions were captured in Combles, the  
statement says, and the town was  
found filled with German dead. Else-  
where along the front in France there  
has been intermittent cannonading.

**BATTLE TO DEATH.**  
LONDON, Sept. 26.—Combles,  
the pivotal point in the German  
line guarding the approach to  
Bapaume, on the north, and Peronne  
on the south of the Somme front,  
has fallen before attacks of  
French and British, the Germans  
fighting to the death or surrendering  
when there was no longer hope.

**Overwhelmed Teutons.**  
French and British troops swept in  
from three sides after their capture  
of Morval and Fregicourt, broke  
through the German defenses, over-  
ran the town and carried all before  
them. This place with its marvelous  
subterranean passages and powerful  
fortifications had been caught in the  
grip of the Entente allies, and cut off  
from communication from the rear.  
At the end of the fight the town was  
filled with bodies of Germans.

**German Heroic in Death.**  
The German account says:  
"But before all we must think of  
our heroic troops who faced the united  
Anglo-French force, and the massed  
employment of material of the whole  
world's war industry, prepared during  
many months."

**Thiefval Also Falls.**  
Thiefval at the northwestern end of  
the British line and the town of Guev-  
decourt, northwest of Les Bouefs also  
have fallen to the British. General  
Sir Douglas Haig's men, after captur-  
ing Thiefval, drove on eastward and  
took the Hohliertzen redoubt which  
lies between Thiefval and the bend in  
the British line at Courcellette. The  
French, likewise, advanced beyond  
Regicourt and captured the wood be-  
tween that village and Morval and the  
greater part of the German fortified  
positions lying between the wood east-  
ward across the Bethune road to the  
western portion of the St. Vaast wood,  
nipping another portion of a German  
trench south of the Bapaume road.

**Capture Thousands.**  
The German casualties in the fight-  
ing are declared by Paris to have  
been heavy and in addition, more than  
1200 Germans were made prisoners by  
the French, while the British took in  
excess of 1500.

Large amounts of booty were also  
taken.  
While Petrograd continues silent  
with regard to the operations on the  
eastern front, both Berlin and Vienna  
tell of the repulse of strong Russian

## Democratic County Central Committee Unanimously Elects Harry Jennings Chairman; Meeting Harmonious

The meeting of the Cochise County  
Democratic Central Committee, which  
was held in Bisbee yesterday, was one  
of the liveliest held in the county for  
a number of years. There was a  
large attendance from all over the  
county. The meeting was called to  
order by J. J. Bowen, the retiring  
chairman. Bowen, in a few brief re-  
marks, stated the purpose of the  
meeting and thanked the members of  
the old committee for their work in  
assisting him in the campaign of two  
years ago.  
A motion was made that a com-  
mittee of three be appointed to act  
as a committee on credentials. Harry  
Jennings, of Bisbee, C. E. Cross, of  
Douglas, and A. W. Howe, of Tomb-  
stone, were appointed by the chair-  
man. An adjournment was taken for  
fifteen minutes for the committee to  
report. The report of the committee  
on credentials was adopted as read.

## EVEN AN UMPIRE HAS FEELINGS, IT SEEMS.

TOLEDO, O. Sept. 26.—Charged  
with assault with intent to kill  
George Johnson, American Asso-  
ciation umpire, Jacob Schockey,  
24 years old, was indicted by a  
grand jury today.  
During the game with St. Paul  
at Swayne Field last July 22,  
Umpire Johnson was struck in  
the head by a pop bottle thrown  
from the stand and rendered un-  
conscious. He was in the hos-  
pital two days and it was feared  
for a time he could not recover.

TRAIN HAS BUSY  
DAY IN COLORADO

Prohibition Orators Elocute in  
Many Towns on Many Sub-  
jects and Still the Demon  
Rum Lives On.

(By Review Leased Wire.)  
COLORADO SPRINGS, Sept. 26.—

All four national candidates of the  
Republican and Democratic parties  
were heartily arraigned for their atti-  
tude on the liquor question by J.  
Frank Hanley today when the Prohibition  
train started its two day tour of  
dry Colorado. Ira Landrith, Hanley's  
running mate, also scored Wilson.

Hanley flayed Wilson for his failure  
to state whether the California wets  
were representing him correctly as  
being opposed to prohibition; de-  
clared that as a result of having obtained  
the repeal of the local option laws in  
Indiana, Vice President Marshall has  
"blood on his hands"; assailed  
Hughes for not coming to the aid of  
the dry forces and urged Coloradans  
to demand an expression from Fair-  
banks on the liquor question when he  
enters the state tomorrow. Most of  
Hanley's fire was directed at Wilson  
in connection with the President's  
declaration yesterday that this na-  
tion's timidity in the face of foreign  
competition was all that he ever had  
been ashamed of in America.

"Here we have it at last, from the  
President's own lips," Hanley declared  
at Trinidad. "He is not ashamed of  
the alcohol liquor traffic with its de-  
bauchery, its intimidation, its harm  
and its civic corruption."

"And the Democratic candidate for  
vice president is even worse. As gov-  
ernor of Indiana, he sent an executive  
message to the general assembly im-  
plying it to repeal the county local  
option law, under which seventy-two  
counties out of the ninety-two in the  
state had stood dry and eliminated  
3,000 saloons, on the ground that as  
governor of the state he was unable  
to enforce the law."

"Upon his recommendation the law  
was repealed and 2,000 licensed sa-  
loons returned to the state. There is  
blood on his hands. A damned spot  
that will not out."

"Mr. Fairbanks will come and go  
without telling you where he stands,"  
Hanley told his audience.

Raton, N. M., had the first speech  
today. Entering Colorado, stops were  
made at Trinidad, La Junta, Rocky  
Ford, Pueblo and Colorado Springs.  
The train will stop in Salida, Lead-  
ville, Glenwood Springs and Grand  
Junction tomorrow, leaving here early  
in the morning.

Colorado will vote this fall on a  
proposal to permit the sale of beer  
within the state on the theory that it  
is non-intoxicating.

## D. C. GUARDS AT WARREN GOING TO DOUGLAS

Orders, Received Last Night,  
Will Take all Soldiers Away  
from District—Camp Al-  
ready Breaking.

WILL ALL BE GONE  
BEFORE SUNDAY

Little Explanation Is Given for  
Move—Naco Henceforth  
Will Be Nearest Military  
Camp to Bisbee.

Orders for all District of Co-  
lumbia guards at Warren to pro-  
ceed to Douglas were received by  
Captain Wilson, commander at  
Camp Greenway, yesterday even-  
ing, and the three contingents are  
expected all to be under way by  
Saturday.

The order affects Battery B, the  
Signal Corps and the Medical  
Corps, and will leave the Warren  
District absolutely devoid of sol-  
diers.

The Signal Corps will depart to-  
morrow morning. It is expected they  
will make the hike in one day as all  
are mounted and the equipment is  
light. The Medical Corps and Battery  
B will not get away until Saturday  
morning, the battery likely taking two  
days to the hike.

**Explanation Scant**  
No explanation was available at  
camp headquarters other than that  
the move presumably was to afford  
the guards better training facilities.  
All other plans have been suspend-  
ed at camp including artillery prac-  
tice, in preparation for the hike.

Apparently the guards are not to  
return to Warren, as their entire  
camp is being torn down.

**District Unguarded**  
So far as is known the Warren Dis-  
trict will be entirely unguarded after  
Saturday, although considerable de-  
tachments remain at Naco, the near-  
est military point to the District.

## FRENCH IN SOMME CAMPAIGN CAPTURE 70,000 GERMANS

Since July 1, 70 Square Miles  
Have Fallen to Them and  
Enormous Booty—Germans  
Gloomy About Verdun.

(By Review Leased Wire.)

PARIS, Sept. 26.—A semi-official  
account of the battle of the Somme  
from its beginning (July 1) appearing  
in the Bulletin des Armees, says that  
the French have conquered 180 square  
kilometers (about 70 square miles) of  
territory, captured 30,000 unwounded  
prisoners, removed 40,043 wounded  
and taken 144 cannon, most of them  
of heavy calibre, 500 machine guns  
and other material.

It is pointed out that the entente  
allies have broken the spirit of the  
Germans at Verdun, definitely de-  
prived the enemy of an initiative and  
turned it in their own favor. Since  
the opening of the battle, the account  
says, the Germans have thrown into  
the battle 67 new divisions and 77 bat-  
talions of which 44 battalions were on  
the English front and 33 were on the  
French front.

## ARIZONA MILITIA MAKES RECORD HIKE.

The First Regiment of Infan-  
try, Arizona National Guards, re-  
turned to their camp at Naco  
yesterday after a record breaking  
hike of over 150 miles in seven  
days of marching.  
While the march of the Arizona  
boys has not yet been officially  
recorded, it is believed they fracted  
all records for a week of  
desert marching, averaging more  
than 20 miles daily, in heavy  
marching order.  
The guards left Naco last Wed-  
nesday morning, their route lay-  
ing by way of Hereford, Lewis  
Springs, Tombstone, Gleason, Mc-  
Neal, Forest Ranch and back to  
camp. Only ten men, it is report-  
ed, dropped out on the march,  
which is almost unprecedented.  
Many of the boys were in Bis-  
bee last night celebrating over  
their fine trip.

Dominant Premier Openly  
Threatens Revolution if He

Allied Diplomats.

(By Review Leased Wire)  
LONDON, Sept. 26.—General Con-  
stantine Moschopoulos, chief of staff  
of the Greek army, with some of his  
officers have signed a message to the  
king demanding that Greece abandon  
its neutrality in the war. Early re-  
ports that General Moschopoulos had  
resigned according to Reuter dispatch  
from Athens, conveying the above in-  
formation, were premature.

**ATHENS, Sept. 26.** (via Lon-  
don)—In circles here close to  
King Constantine the belief is ex-  
pressed that he will declare war  
immediately, possibly this even-  
ing.

LONDON, Sept. 26.—The situation  
in Greece is still tense. Former Pre-  
mier Venizelos, on his way to the  
island of Crete supposedly to take  
charge of an insurrectionary move-  
ment that has as its object the forc-  
ing of the king and the government to  
agree to the Greeks' entry into the  
war on the side of the entente allies.  
Unofficial advices say that the be-  
lief is expressed in Athens in circles  
very close to the king that he will de-  
clare war immediately.

**MATTER OF HOURS**  
ATHENS, (via London) Sept. 26.—  
The French press of Athens, which,  
for the last month has been sharply  
assailing King Constantine, is silent  
this morning. The entire situation  
has changed over night and it is re-  
ported that entry of Greece into the  
war has suddenly become a mere  
question of days on the terms King  
Constantine intends to ask, namely,  
a guarantee of the integrity of Greece  
and a loan to equip the army and cover  
the cost of remobilization.

**Wars On Bulgars**  
The royalist organ Forward, this  
morning in an editorial, says that war  
will be declared on Bulgaria without  
awaiting mobilization, unless the mat-  
ter of the return of the Greek sol-  
diers taken prisoners by the Bulgarians  
and sent to Germany is settled  
within a period of hours.

**VENIZELOS TURNS SCALE**

Reuter's Telegram Company from  
Athens says:  
The steamer Hesperia has arrived  
in Sudabay where former Premier  
Venizelos will disembark in the morn-  
ing.

"The Patris today publishes a state-  
ment made by M. Venizelos before his

by Murdering Madero.

TRIES TO MAKE IT  
NATIONAL ISSUE

But Workmen Are Not Fool-  
ed, and Ask Him Many Per-  
tinent Questions Which He  
Claims Not to Hear.

(By Review Leased Wire)  
CLEVELAND, Sept. 26.—Chas.  
E. Hughes tonight challenged the  
administration to deny his charge  
that John Lind was authorized by  
President Wilson in 1914 to say to  
"the minister from a foreign  
power to Mexico that Huerta  
would be put out" of the presi-  
dency of Mexico if he did not vol-  
untarily get out.

Mr. Hughes issued his challenge in  
a speech here before an audience in  
the Central Armory. In the same  
speech Mr. Hughes lauded Myron T.  
Herrick, sitting on the platform, for  
the manner in which he discharged  
the duties of ambassador to France  
in the early days of the war and de-  
clared that the appointment of a man to suc-  
ceed Mr. Herrick "in a time of great  
emergency" would ever remain a blot  
upon the present administration.

**Crowd Not For Him**  
This meeting closed with a vote of  
confidence from the edge of the crowd  
prompted by his attack on the ad-  
ministration of the Adamson law, and by un-  
complimentary remarks to the nomi-  
nee.

**Crowd Quizzes Him**  
"What about the Danbury haters' case?" was the question one man  
started. Others took it up when the  
nominee closed his speech. The  
words were echoed by many voices.  
Mr. Hughes heard the commotion and  
thinking it came from men on the  
edge of the crowd that had not heard  
his reference to the Adamson bill,  
said: "If you will tell my friends  
over there what I said, I think they  
will understand my views." Later Mr.  
Hughes said he had not heard the  
reference to the Danbury haters' case.

In his second address at Toledo and  
in this city, Mr. Hughes reiterated his  
attack on the administration for the  
Adamson law and declared that he  
stood "like a rock" for the principle  
of investigation before legislation and  
not to act under force.

"We cannot maintain our just in-  
fluence on this hemisphere in connection  
with our sister republic unless we are  
correct in our international attitude  
and correct on our international policy,"  
he said. "That is the deplorable  
thing about our affairs in Mexico. We  
have failed of an intelligible policy.  
We have not justified ourselves to  
those acquainted with international  
law. We have not offered our ideals.  
We have not won the friendship, but  
rather lost the friendship of those  
who are in the sister republic of Mex-  
ico torn by disturbances.  
Mr. Hughes will leave tomorrow  
morning for Pittsburg.

## VILLA MUCH ALIVE SAYS HIS BROTHER

Hipolito Tells San Antonians  
Pancho Is Coming Back  
Strongly.

SAN ANTONIO, Sept. 26.—Hipolito  
Villa admitted tonight that he  
had direct information that his brother,  
Francisco Villa, the Mexican band-  
it, is alive and quite active. He would  
not say that he knew anything of  
Francisco's recent movement and de-  
clared positively that he knew nothing  
of his future plans in Mexico ex-  
cept what he reads from the press  
dispatches.

Villa said he had come to San An-  
tonio to meet his family, returning  
from Havana, whom he will take to  
El Paso where they will reside. The  
party will include Mrs. Villa, her in-  
fant son, her sister, Luz Corral de  
Villa and Villa's sister, Martina Villa  
de Martinez.
